

M18 F2SSBL-122

M18 FUEL™ DUAL BATTERY SINGLE STAGE SNOW BLOWER

- Best in class power to complete more demanding applications without bogging down or stalling
- Clog resistant chute design eliminates any build ups of snow or ice
- Auger propulsion assists user in moving through applications with ease
- Headlight location allows for best visibility and mitigates snow build up in application
- Handlebar chute control allows for quick and easy operation
- Operator facing fuel gauge gives clear visibility to overall state of charge
- Vertical storage position for shop or garage storage
- Dual coated chassis prevents rusting
- The DNA of our FUEL™ platform redefines the balance of cordless technologies. MILWAUKEE®'s POWERSTATE™ brushless motor, REDLITHIUM™ battery pack and REDLINK PLUS™ electronic intelligence delivering outstanding power, run time and durability
- Flexible battery system: works with all MILWAUKEE® M18™ batteries
