

Tap and Die Metric Set - 17 pc

17PC TAP AND DIE METRIC SET

- Includes precision machined threading accessories and handles for the most common applications.
- THUNDERWEB design of the drill bits is characterised by a conical shaped web which gets thicker towards the back of the drill bit. Standard drill bits have a constant thickness throughout their length. Even at the narrowest point the THUNDERWEB core is thicker than that of a standard drill bit.
- Taps and dies are made of high carbon chromium bearing steel for durability.
- Designed for use in metal materials including mild steel, brass and aluminum.
- Black Oxide coated taps and dies for corrosion resistance.
- Taps and dies feature long lasting laser etch for the clearest markings.
